Brushed Nickel

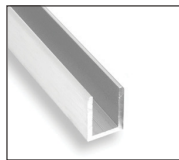

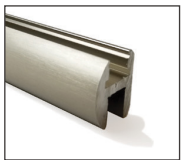

SHOWER U-CHANNELS

Morse Shallow and Deep U-Channels are available in lengths available are 98" and 144" for 3/8" or 1/2" glass.

SHOWER HEADERS, INSERTS & ACCESSORIES

These products can be purchased as a kit or as individual components. Header is available in 98". Snap in filler insert is available in 3' and 6' lengths. Clear flexible vinyl insert is sold by the foot.

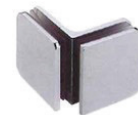

HINGES

A wide variety of hinges are available for common shower configurations: Standard, Heavy Duty, and Junior sizes; Square and Beveled edges; Offset, Short, and Full Back Plates; Glass to Glass and Wall mounts. All hinges are self-closing at 30° and come with a 0° pin that is adjustable to 5°. Fabrication template and installation hardware is included.

CLAMPS

A comprehensive selection of glass clamps is offered: Standard and Heavy Duty sizes; Square and Beveled edges; Sleeve Over, Glass to Wall, Glass to Floor, and Glass to Glass mounts. Fabrication template and installation hardware is included.

PULLS, TOWEL BARS, & COMBINATIONS

Door Pulls and Towel Bars are available in round and square profiles and are constructed of 1/2" stainless steel tubing (type 316). All pulls and towel bars include plastic gaskets and bushings to prevent glass to metal contact.

WIPES & SEALS

A wide variety of wipes and seals are available in all common shapes and configurations. These products are made from the highest quality polycarbonate, silicone, and/or vinyl for superior clarity and durability.
